

# Test Plan

## Unit Tests

### Test Cases:

Test Case #	Description	Test Data
1.	Check a Piano Key event results in the correct corresponding note (both in pitch and octave)	A4 -> A4
2.	Check that an Octave Up event results in output of one octave higher.	4 -> 5
3.	Check that an Octave Down event results in output of one octave lower.	5 -> 4
